

APPLYING FOR SCHOLARSHIPS WITH CICF

WHAT IS CICF?

CICF is an acronym for the Central Indiana Community Foundation. We bring together the financial resources of individuals, families, and businesses to support effective not-for-profit organizations and community projects such as The Indianapolis Cultural Trail: A Legacy of Gene & Marilyn Glick.

In addition to granting funds to organizations, we also manage more than 100 scholarship funds. With awards ranging from \$500 to full tuition, our scholarships help countless individuals overcome the obstacles that stand between them and future academic and financial success.
