KICK -OFF your SHOES and RE-USE!!! Join FCCLA to donate old, gently used shoes for those in need. Any shoes accepted. Leave in the trash dumpster up by the office. Our goal

is 500 pairs between WCHS and DMS donations. So far, we have approximately 50 pairs. We are also in a friendly competition with Union City's FCCLA chapter to gather the most shoes. We will be collecting now through May 5th.

The donations are given to our local SWMD office downtown and then onward to an Indiana organization called ChangingFootprints. Their goals are to reduce the amount of items thrown into landfills and also to help those in need.

So...clean out your closet and donate the shoes, boots, and sandals to a worthy cause.
