
TODAY'S ANNOUNCEMENTS

WCHS

- Fact - 60% of seniors don't see regular marijuana use as harmful, but THC (the active ingredient in the drug that causes addiction) is nearly 5 times stronger than it was 20 years ago. Drugs are wide spread and impact many people in a negative way. Don't be another statistic - make good choices and stay drug free!
- There is POWER in the PINK....power in being kind to others. Let us continue to show kindness everyday. Today during activity period you may WALK the TRACK for a dollar donation to a local charity. You will receive some pink beads and hot chocolate or hot apple cider while walking to music. Come join FCCLA as we PINK OUT at our WCHS track. Also, there is a PINK duck loose somewhere in the high school. Find it and receive a PINK prize in the office.
- The WCHS cheerleaders would like to encourage everyone to attend the Varsity football game tomorrow evening. Dress in all BLACK and show your support of the Black Attack as they face Lapel in the first round of the Sectional. Go Falcons!
- Good luck cross country runners at semi state Saturday!

DMS

- A reminder that there will be no school Friday, Monday, or Tuesday. Enjoy Fall Break!
